

12.PT.Tool to convert PDF files into Word etc.

Go to:

NuancePDF.com

And download this cool pdf reader.

It also helps you to convert pdf files into word, excel etc.

Here is how it works:

- Click on Nuance PDF reader icon.
- Select file to convert.
- Then click on 'Convert PDF'.
- Select from options
- Enter e mail id to which you want converted file to be sent.

- The file is encrypted and sent to their server and sent back to the mail id requested.
- This happens quite fast.
